BEULAH DEDICATION.

Last Sunday might be set down as a red letterday for East Mathews Charge.

It was the day set apart for the dedication of the new Beulah church and all of the old pastors who had served on the charge were invited to be present. Rev. D. G. C. Butts and Rev. W. L. Ware on hand, and the rest sent letters of good cheer and expressions of regret etc.

They had an "all day meeting and dinner on the ground" at Beulah and while I did not go in the morning, the fact that it was at Beulah is sufficient evidence to justify one in saying that the spread was plentiful and that all were invited to participate.

The Rev. J. B. Winn, brother to our pastor, preached in the morning and again in the afternoon. His subject in the afternoon was "Jesus Christ The Only Sure Foundation" and he soon proved himself to be master of his subject, and although the house was packed, and a few small children seemed disposed to enjoy themselves in their own way, with a full vocabulary, a strong voice and an ever flow of words he held the attention of his audience from start to finish. If I may be allowed to judge, would say that I consider him a preacher largely above the average.

After the sermon and a few remarks from Rev. Butts and Ware the collection baskets were passed around resulting in over \$50 in cash. The church officers were called around the chancel and the house dedicated to the service of God according to the form laid down in the ritual. The benediction was pronounced and the crowd rushed to the chancel where a general hand shake with old pastors followed.

Rev. W. L. Ware preached at St Pauls in the morning and Rev. Butts preached there at night. All seemed delighted to greet their former pastors.

NEW POINT HIGH SCHOOL NOTES.

Examinations are in progress at the High School. It has been impossible to cover the entire work of the year owing to the shortness of the term. It is to be hoped that another year the term will be lengthened to eight months at least.

Sunday afternoon, May 4, there will be a special service at Beulah church for the school. Rev. Dr. Thomas of Norfolk, is expected to preach to the students.

The closing exercises will be held at the High School Tuesday afternoon May 7th. These exercises will begin at 2:30 and last about two hours. Rev. J. A. Winn will deliver the commencement address. A special feature will be a May Pole dance by the little folks. Everybody is welcome.

As the warm weather comes on and the land calls for workers, the boys of the older classes are kept at home and our attendance is diminished. It is a pity that this should be so, for the closing work of the year—reviews and examinations—is like clinching the nail after driving it through the board. We hope that no pupil will stay

out who is not needed at home.

We are at the Court House has a new weighing machine.
